EDUCATION

Nazarbayev Intellectual Schools

High School Student, Physics and Mathematics

Uralsk, Kazakhstan

May 2026

EXPERIENCE

The Fashion People

Frontend Developer Intern

August 2024 – September 2024

Remote

- Led the web-view integration project within the Garderob app (Leading Resale-as-a-Service platform with AI in Central Asia)
- Integrated web-view in Garderob mobile app using **Next.js**, improving order processing for **100,000+ users** and reducing app maintenance.
- Enhanced DX/UX by enabling faster feature updates, accelerating release cycles, and improving app experience.

nFactorial Incubator

Startup Incubator

June 2024 – August 2024

Almaty, Kazakhstan

- Nominated for **Prodigy of The Year**, recognized as the strongest participant, even outperforming mentors
- Developed a full-stack AI startup with **1000+ users**
- Selected for Central Asia's top bootcamp (**2.5% acceptance rate**) focused on web and AI technologies

STEM NIS

Mentor and Leader

June 2024 – Present

Uralsk, Kazakhstan

- Mentored 60+ students (grades 7–10) in AI and web/mobile development out of 700+ students
- Organized a Pizza Pitch idea competition and a 1-week incubator for 50 students.

PROJECTS

[Parallax Podcast](#) | *Next.js, React, Redis, PostgreSQL, Tailwind, AI*

June 2024 – August 2024

- Architected and developed an AI-driven podcast generation platform using **Next.js** and **React**, enabling users to create podcasts in English and Russian, with **1000+ users** and **10+ active episodes** on Spotify and Apple Podcasts.
- Orchestrated podcast, script, and audio generation workflows using message queues and CRON jobs with **Qstash**, ensuring efficient task execution and system scalability.
- Integrated **ElevenLabs** for realistic speech synthesis and voice cloning, enabling high-quality and personalized podcast production.

[NIS Insights](#) | *Next.js, React, Redis, PostgreSQL, Tailwind, MDX, Framer Motion*

December 2023 – Present

- Built a website for the school magazine club, enabling publication of articles and seasonal editions
- Acknowledged as one of the top websites in the Nazarbayev Intellectual Schools Network, achieving **1000+ monthly active users**
